

THE ROAD RACE LEGENDS CHARITY

This charity exists to raise money for the Robert Dunlop Memorial Fund and local charities. Those who are eligible for funding include riders requiring specialist equipment or funding as a result of an injury or accident, and applications for funding are welcome and always treated individually. Jamie Whitham, the patron of the Charity, announced that in the four years the charity has been in existence, more than £40,000 has been raised and the total raised at this year's fund raising event held at the Wynnstay Hotel, Oswestry,

raised almost £14,000.

The theme this year was an Irish Evening and it was a sell-out well before the event took place on 20th February. The event began with a highly successful auction that in itself raised almost £7,000. After a free buffet laid on by the Hotel, the compere for the evening, Tommy Robb, was introduced by the Town Crier of Blackpool. This was followed by the entry into the room with their machines of Phillip McCallen with his V4 Yamaha, William and Michael Dunlop with their RC163
