## Road Racing Legends, Winstay Hotel, Oswestry, February 15

FANCY an evening with TT legend John McGuinness, talking about his 13 wins and holding the 130mph lap record? Here's your chance.

Alongside McGuinness will be other racing heroes including Percy Tate, Tony Jefferies, Tom Dickie and Bill Smith.

For one night only all these

racing heroes will be on stage answering questions about their racing lives.

During the evening there will be a charity raffle and auction of sporting memorabilia with all money raised going to Isle of Man charities.
