MV AGUSTA OWNERS CLUB OF GREAT BRITAIN

A report from Bill Curgenvin, NW Wales Rep

On 15th February this year I went to a 'Night with the Stars' at the Wynstay Hotel Oswestry.

Bill Smith hosted a top table of riders including John McGuinness (current outright senior TT lap record holder) and Paul Smart amongst others. I thought the evening was simply fabulous. To hear the stories from these famous names first-hand was unique.

Bill Smith got a great laugh from his tale concerning coming up behind who he 'thought' was his mate, up on the mountain section of the TT, whilst doing some serious speed, and pinching his bum! When he'd gone past, Bill looked behind only to see it wasn't his mate at all! He did say the man smiled at him later on (whatever that may have meant).

The evening, sponsored by Morris Oils and others, raised nearly £10,000 through the auction held there for Isle of Man charities.

I have to say that since becoming local Rep in 2006 (my phone number is in each mag) I've never heard from any other members of the Club.

I would love to go on ride-outs, meetings etc. with fellow MV riders. The new Anglesey circuit is something to behold, as are the roads over Snowdonia and the Moors.

Please phone now Spring is here and fix up some days out.

I don't know if Casina Costa is 'on' this year, if so, does anyone fancy riding there?

Happy Riding

Bill
