Dear Phil, Gwen, Colin & Sue

Thank you so very much for your recent donation of £1,500.00, towards the work of Hope House Children's Hospices, in respect of your charity fundraising evening at the Wynnstay Hotel. We very much appreciate your support.

We have been on our journey now for ten years and although we have said many goodbyes we are constantly meeting new families who need help from our specialised care team. We have learned many things over the years from our families and youngsters, some of whom were little more than toddlers when we opened but are now teenagers. They need a different specialist care to help them deal with the many challenges of adolescence along with their terminal illness. To help us meet these requirements we have complimented our care team with a Youth Worker.

We continue to provide respite and terminal care for seriously ill children and we still depend almost entirely upon voluntary income to fund our work. We need £3.5 million each year to maintain our vital services at Hope House, Shropshire & Tŷ Gobaith in Conwy. Without the continued support from donors such as you this would not be possible. On behalf of all those children and families, who will benefit from your kindness, please accept our grateful thanks.

Yours sincerely

Vanessa Lloyd
