Hi Phil

A big sorry for not being able to turn up, as was explained Nick had some hospital appointments to attend and I couldn't get time off work unfortunately, sorry I have not been in touch sooner, I am very grateful for what you have done for Nick and I am sure that the money raised will go towards his future. I and Nick are very humbled by what everyone has done and it is such a feeling of support to know that someone out there cares. So A BIG THE THANKYOU, we hope to make next years event and next time we can help raise some money for someone else.

All the best to you and your team
