

# BIG THANKS FROM STUART MILLS PRESS

To Phil, Colin and all at Road Racing Legends,

Thank you so much for the time that you spend with Vicky and I last week. I can honestly say that you made me feel fantastic when lately I have felt far from it.

Please could you also thank John McGuinness and Jamie Whitham, two racing legends that are also two wonderful human beings. The time they spent with us was time that I shall never forget. That means something to me that simple words cannot describe. Thank you so much, you are all legends Stuart Mills
