ROAD RACING LEGENDS

Twelve TT riders with 307 replicas between them and five world champions combined with the surprise guest Freddie Spencer generated an electric atmosphere for the 6th "Road Racing Legends" charity event at the Wynnstay Hotel in Oswestry on 11th February. This year's event raised £22,517, a percentage of this will go to injured racers Connor Cummins and Gavin Hunt. The total that has been raised over the six years amounts to £84,717.

Patron Jamie Whitham would like to thank all the sponsors who make this event possible and especially Sue and Colin Morris and Phil and Gwen Morris and their team of helpers for all their hard work throughout the year without which the event would not be possible.
